CASE STUDY:  
**XTRA LIFE Spherical Roller Bearing**

***BMI's XTRA LIFE SRB (Spherical Roller Bearing) comes with shields on both sides:***

Key Benefits:

- **100% interchangeable to ISO dimensions**
- **Longer Life**
- **Protection from dirt**

BMI is launching an excellent solution to extend the life of standard Spherical Roller Bearings.

The XTRA LIFE SRB (Spherical Roller Bearing) comes with shields on both sides.

BMI XTRA LIFE Bearing is 100% interchangeable with standard open spherical roller bearings of ISO dimensions.

This will solve all the damage due to foreign particles, dirt etc. while keeping the design of machinery the same.

**WITH SEAL**

**WITHOUT SEAL**
